Dear competitor,

Please find attached the provisional results from the 2007 1300NEWGLASS Border Ranges Rally. These results will become **final at 1600hrs on 3 May 2007** unless a protest is lodged, or errors are found. You will be informed if this occurs.

Congratulations to Simon and Margot Knowles for their outright win, to Allan Clunes and Gavin Wieland for being first clubman registered competitor, and to all the other finishers. After checking of roadcards etc there have been some changes to the placings of the Gemini Series competitors. We will organise the redistribution of trophies to reflect these changes.

I hope you enjoyed the event and the variety of roads. We are always looking for ways to improve the event so any comments you would like to make are much appreciated. All feedback will help with future events.

Finally I would like to congratulate all competitors on their conduct and representation of the sport. The feedback I received on Sunday from Urbenville residents not involved in the event was very positive. As a group we were compared to other sporting groups conducting events in the area and it was great to hear people comment about the fun-loving and good nature of our competitors. Thank you.
